

20/12/2011

Dear Colleagues

**Re: Abstract submission invitation for SASNM 15th Biennial Congress**

Greetings from the South African Society of Nuclear Medicine.

The planning for the SASNM 15th Biennial Congress which is scheduled for the 21 – 24th September 2012 in Parys, Northern Free State, South Africa is underway. Please visit the SASNM's website (<http://www.sasnm.com/congress-2012.aspx>) for further information on this congress.

The congress will cover a variety of topics and issues on Nuclear Medicine and Molecular imaging. The theme of this congress is "SASN 2012- Your key to the future."

It is our great pleasure to extend this invitation for abstract submission on the following topics:

1. Endocrine and Neuroendocrine
2. Oncology general
3. PET: oncology, cardiac, neurology and infection/ inflammation
4. Therapy
5. Cardiovascular
6. Infection
7. Paediatrics
8. General: renal, GIT, neurology, bone and lung
9. Radiopharmacy
10. Physics.
11. Radiography and Technical Imaging

The deadline for abstract submission is the 31st March 2012. Your participation will be highly appreciated. Please send your abstracts to: [mboyo-di-tamba.vangu@wits.ac.za](mailto:mboyo-di-tamba.vangu@wits.ac.za) or [Otto@ntp.co.za](mailto:Otto@ntp.co.za) or [ntombifikile.mkhize@wits.ac.za](mailto:ntombifikile.mkhize@wits.ac.za) or via the link for abstract submission available on the SASNM website: <http://www.sasnm.com/abstracts-invitation.aspx>

We are looking forward to your invaluable input to this meeting.

Kind regards,

**Dr NN Mkhize (Sonto Mkhize)**

SASN executive member

Scientific committee ([Ntombifikile.mkhize@wits.ac.za](mailto:Ntombifikile.mkhize@wits.ac.za); Tel:+2711 488 3500)
